

Script 1 -

"Wait! Before you place your next sports bet, you need to meet YourSwami. I used to spend forever looking up player stats, comparing matchups, and trying to figure out which picks actually made sense.

Then I found YourSwami. The Swami helps you break down games, analyze player performance, and make more informed sports picks without doing all the research yourself.

And the best part? You can try it FREE for 7 days. Click the link and check out YourSwami before your next game!"

Script 2 -

"Are you actually researching your sports picks, or are you just guessing? Because there's a huge difference between picking a team because you like them and actually looking at the numbers.

That's why I've been trusting YourSwami. The Swami gives you sports insights, player stats, and matchup analysis so you can make decisions based on information instead of just gut feelings.

They're offering a 7-day free trial right now. Click the link, try YourSwami, and see what you think!"

Script 3 -

"I have a new game day routine. Before kickoff, I grab my coffee, check the matchups, and open YourSwami.

Instead of bouncing between a bunch of websites trying to figure out who's performing well, I can look at sports insights and player data in one place.

If you're into sports like I am, YourSwami has a 7-day free trial. Click the link and give it a shot!"

Script 4 -

"Football fans, if you're not looking at the numbers before kickoff, what are you doing? Who's likely to have a big game? Which quarterback has the better matchup? What do the stats actually tell us?

These are the things I want to know before making my picks. YourSwami helps you look at the data and get a better understanding of the games you're watching."

"Try YourSwami free for 7 days. Visit yourswami.com"

Script 5-

"Why did nobody tell me about YourSwami sooner? If you're someone who loves sports and likes making picks, you know how much time goes into researching everything.

Player performance, team matchups, recent stats... there's so much! YourSwami helps bring that information together so you can spend less time searching and more time actually enjoying the games.

Plus, you can test it out with a 7-day free trial. Check it out for yourself at yourswami.com!"

Script 6 -

"You know that one friend who thinks he knows EVERYTHING about sports? Next time you're debating who's going to have the better game, pull up YourSwami.

You can look at actual player stats, team performance, and matchup insights. YourSwami has a 7-day free trial. Click the link below!"

Script 7 -

"Why does researching one sports game feel like a full-time job? You've got player stats on one website, team performance on another, and matchup breakdowns somewhere else.

That's why YourSwami caught my attention. It's designed to help sports fans find useful insights and analyze games without having to spend hours doing research.

If you want to simplify your game day research, click the link and start your 7-day free trial with YourSwami!"

Script 8 -

Into sports betting? Meet YourSwami.

I didn't have time to sit there researching every single game and player. That's why I started using YourSwami. I can check player stats, compare matchups, and get a better idea of what's going on before I make my picks.

They actually have a 7-day free trial, so you can check it out for yourself. Just click the link to get started."

Script 9 -

"Are you a sports fan? For the next seven days, instead of just going with your gut, actually research the games you're watching.

Look at the player stats. Compare the matchups. Pay attention to the numbers.

YourSwami makes it easier to explore that information, and you can try it out without committing to a paid subscription right away.

Take the 7-day YourSwami challenge. Click the link, start your free trial, and see how you like it!"

Script 10 -

"What if you had a magic little genie helping you research games before you made your picks? Meet YourSwami.

Instead of trying to keep up with every player, every matchup, and every statistic on your own, you can use YourSwami to explore sports data and get useful insights before game time.

And right now, you can try YourSwami free for 7 days. Visit yourswami.com"
