

Option 1 -

"If you're still making sports picks based on gut feeling... you need YourSwami.

I found YourSwami and what immediately stood out is that these aren't just random picks thrown online. You're getting sports analysis backed by 30+ years of experience, and you can actually see the documented track record. Plus, there's a whole community where you can follow the picks and talk through the games. And you can check it out without paying anything upfront."

CTA:

"Sign up for free and see the next Swami pick for yourself."

Option 2 -

"Before you make your next sports pick, go check out YourSwami. You get daily sports analysis and picks backed by decades of experience, but the best part is you don't have to blindly trust anybody. Their picks are documented, so you can follow the record yourself. You can even join the community and get pick alerts when something new drops."

CTA:

"Sign up for free at YourSwami.com and see what the Swami has to say."

Option 3 -

"Before you place your next bet, do you actually know who's most likely to score? Who's most likely to get the goal? Who's getting the assists? Who's making the saves? Instead of just guessing, I check YourSwami first. They break down the games, players, matchups, and stats to help you make more informed picks before you bet."

CTA:

"Sign up for free at YourSwami.com and check the picks before your next bet."

Option 4 -

"Do you ever place a bet and then immediately wonder if you picked the right player? That's why I started checking YourSwami before I bet. They help you look at things like who's most likely to score, get an assist, make a steal, record a block, or hit other key player props. It's actual sports analysis instead of just picking a name and hoping for the best."

CTA:

“Sign up for free and see what YourSwami is picking today.”

Option 5 -

Placing a sports bet? Instead of trying to analyze every player and matchup myself, I go to YourSwami and see their picks and analysis first. Goals, assists, points, steals, blocks, saves... whatever I'm looking at, it gives me another perspective before I decide what I want to bet.”

CTA:

“It's free to get started. Sign up at YourSwami.com.”
