

WHY MOBILE WOUND CARE

Built around
what you
actually need.

Mobile Wound Care is a scheduling and marketing platform that connects patients with independent, licensed mobile wound care providers.

0

Trips to a
clinic

0

Hours in a
waiting room

Licensed providers

Connect with independent, licensed mobile wound care providers.

Scheduling, simplified

Coordination is handled through the platform, from the first request to follow-up visits.

Care where you are

Visits at home, at a facility, or wherever recovery is taking place.

LET'S GET STARTED

Ready to
simplify
wound care?

Whether you are a patient looking for at-home visits or a facility looking to streamline discharges, we are here to help.
